e-Publishing Services

ePub Conversion

Cyrus Data Solutions provides ePub and ePub3 Conversion and Formatting Services to the IDPF standards. We accept all source formats – MS Word, PDF, Quark, InDesign, 3B2, RTF, XML, HTML or any other and convert them into digital books and publications which can be read on any device with a compatible reading application.

Fixed Layout Books

For books where the positioning of images is crucial, such as cookery books, travel books, comic strips or children's books, a "fixed layout" EPUB format has been developed to allow it to remain absolutely true to the original work on paper, and to give optimal rendering.

The formats of fixed-layout eBooks that we produce are:

- Fixed-layout ePub 3
- Fixed-layout KF8
- PagePerfect PDF
- Nook Kids ePIB
- Kindle Comics
- Nook Comics

Interactive Books

We create ePub documents with rich interactivity, you now have more options to make your fixed layout EPUBs more dynamic and engaging. Include slideshows, add buttons to trigger animation, add hyperlinks to your document,

and more. As a service provider and specialist in the areas of publishing and digital production, we covers the whole publishing chain for your content.

XML Conversion

Our technical department is highly experienced in working with an array of standard applications that include InDesign, 3B2, Latex, Frame Maker, and QuarkXPress, assimilating these within the XML-based production processes. Our team is thoroughly proficient in both XML DTD and Schema to analyze and also obtain DTDs manually. We have the capability to create our own DTDs. Cyrus provides a full spectrum of XML services to address the demands for digital formats and online publishing requirements for content repository and multi-device capabilities.
